

**Palmer/Pletsch 4-Day  
Fit & Sew Fashion Knits Workshop  
Vancouver, Washington (just north of Portland, Oregon)**

Dear Attendee,

This 4-day workshop is held at:

**Sew-Op + Maker Space**

1507 Broadway  
Vancouver, WA 98663  
(360) 227-5005  
[sewopmakerspace.com](http://sewopmakerspace.com)

Sew-Op + Maker Space is located in Downtown Vancouver, Washington, just 15 minutes from Portland International Airport. It is equipped with everything you'd expect for a fantastic sewing workshop experience. There is ample pressing and cutting space and Bernina sewing machines for your classroom use. Owner Anna Miller offers an astounding collection of vintage fabrics plus modern notions and the region's yummiest chocolates for sale in her shop. Sew-Op is located close to great food and coffee venues and less than two miles from Fred Meyer for groceries and incidentals.

**The workshop runs from 9am to 5pm each day. Lunch is provided. Registrants will receive a detailed schedule.**

Our "ideal suggested schedule" while you are here is to arrive the day before the workshop and get settled in at the place you choose to stay. For years we have used the Monarch Hotel in Clackamas, Oregon. They offer a special Palmer/Pletsch rate. However, now that we are holding our workshops in different locations, that option may not be as convenient as finding accommodations closer to the class venue. A few suggestions:

[Homewood Suites by Hilton](#)  
701 SE Columbia Shores Blvd.  
Vancouver, WA 98661

[The Briar Rose Inn](#)  
314 W 11th St.  
Vancouver, WA 98660

Uber and Lyft are the most reasonable ways to get to all areas of Portland from the airport. Or, if you decide to stay at the Monarch next to Clackamas Town Center mall, the hotel van can pick you up at the airport. Call when you get your luggage.

[The Hilton Vancouver](#)  
301 W 6th St.  
Vancouver, WA 98660

[The Heathman Lodge](#)  
7801 NE Greenwood Dr.  
Vancouver, WA 98662

**Monarch Hotel**

12566 S.E. 93<sup>rd</sup> Ave  
Portland, Oregon 97015.

Palmer/Pletsch workshop attendees enjoy a discount. To reserve a room call 1-800-492-8700 or email the hotel directly at [rescenter@monarchnotel.cc](mailto:rescenter@monarchnotel.cc). Mention you are with Palmer/Pletsch and request our rate which includes a daily coupon for 10% off dining at this property. More details [here](#).

## Bring the Following to the Knits Workshop:

Sew-Op, the location of our class, will have the notions you may need to replenish such as ½" Scotch Magic Tape, 1 3/8" .5 mm glass head pins, Perfect Pattern Paper, and recent Palmer/Pletsch books, and most in spiral.

- **Sewing machines.** Bernina sewing machines are provided. If you prefer to bring your own, don't forget bobbins, zipper foot, and needles. We will have a limited number of sergers available for you to share.
- **Bring patterns that you'd like to fit and sew in knits.** Palmer/Pletsch patterns have alteration lines printed on them so will be easiest to begin with. Do not trim them until we determine your best size.
- **Dress comfortably.** Layers are nice so you can adjust to heat and air conditioning. Sleeves shouldn't interfere with sewing. Wear comfortable shoes.
- **If you wear a bra,** make it a good-fitting one and wear the same bra every day of class, especially if you are large busted.
- **Lightweight camisole or tank** for modesty when being fitted.
- **Chain necklace** to mark the base of the back of your neck-optional.
- **Hair tie or clip** If you have long hair, so we can see the tissue on your back.
- **Knit fabrics**
- **Alteration and sewing supplies:**
  - \_\_\_ Sewing machine needles in a variety of sizes-ballpoint, stretch, microtext.
  - \_\_\_ Paper scissors
  - \_\_\_ Fabric Scissors
  - \_\_\_ Seam gauge
  - \_\_\_ Tape measure
  - \_\_\_ Preferred marking tools (chalk wheel, tracing paper etc.)
  - \_\_\_ 2" X 18" flexible clear plastic ruler (recommended, but not mandatory)
  - \_\_\_ Soft-leaded pencil
  - \_\_\_ Fine-tip permanent marker
  - \_\_\_ 1 box of 1 3/8" extra-fine glass-head pins (.5mm size is best—it will not bend when piercing cardboard surfaces) and a magnetic pin cushion.
  - \_\_\_ 1 roll 1/2" Scotch Magic Tape in the green box (no substitutes) in a weighted dispenser.
  - \_\_\_ 1 package Perfect Pattern Paper
  - \_\_\_ Stay tapes for stabilizing shoulders and necklines
  - \_\_\_ 1" elastic cut a little longer than your waist with ends lapped and pinned with a safety pin or Velcro sewn to ends. Get something soft and without the rough ridges. This will be used to mark your waist during fittings
- **Book: *Knits for Real People*** by Sue Neall and Pati Palmer. Spiral is best. *The Palmer/Pletsch Complete Guide to Fitting, Pants for Real People* and *Looking Good Every Day* are also excellent resources.
- **Covered, refillable water bottle** labeled with your name.

**Mark your supplies with your name before class.**

Please do not wear perfume. We have found that some students have allergies to it.

**Palmer/Pletsch Certified Sewing Instructors: This workshop will give you 40 PDUs.**

## OPTIONAL OPPORTUNITIES:

### HAVE YOUR COLORS DONE!

When someone says, “You look amazing today!” chances are you’re wearing a color that perfectly complements your natural beauty. Learn how to determine your best colors with image consultant and color expert Ethel.

Ethel expands the four-season color concept with her own color system, to help us understand how the colors we wear can complement our own hair, skin and eye colors. She will then teach you how to translate this knowledge into creating a wardrobe that truly flatters.

Portland-based Ethel Harms is an award-winning image consultant who has been helping people look beautiful for over 30 years. As the Image instructor for the Palmer/Pletsch International School of Sewing, she has worked with people from all over the world to define their best image. She is featured in the Palmer/Pletsch book *Looking Good...Every Day!*

Book your appointment at her Lake Oswego studio for the day before the workshop. Ethel will then bring your custom color palette to the workshop and show you how to shop for your best colors. Two workshop students can attend together. Ethel will share names so you can travel together. (You can take a cab, but cabs have been quite unreliable. Uber and Lyft are now available in Portland. Remember to set up an account if you don’t already have one.)

The Color Analysis price for Palmer/Pletsch workshop students is \$200.00 (reg. \$250). Book your appointment directly with Ethel by calling 503-699-5501 or e-mail [eharms@msn.com](mailto:eharms@msn.com). For more about Ethel Harms, visit [www.yourimageconsultant.com](http://www.yourimageconsultant.com).

### TOUR THE AREA

If you have time to tour our beautiful region before or after the workshop, or if you have a companion with you who came to tour, here are just a few suggestions:

- Drive the “loop” going up into the stunning Columbia River Gorge on Highway 84. At Hood River, turn up to Mt. Hood, visit the historic Timberline Lodge, and drive back to Portland on Highway 26.
- We are only 1½ hours from the coast.
- The MAX line to downtown is just across from the Monarch Hotel.
- The Spirit of Portland has a wonderful lunch and dinner river cruise that is quite reasonable and showcases why we are called the “city of bridges.”
- Maryhill Museum houses the famous Théâtre de la Mode dolls from the 1940s. Palmer/Pletsch published a book on the history of the collection. The museum is open April to November and is about a 2 hour drive east on 84. Stop at Multnomah Falls on the way! You could have breakfast at the lodge and lunch at Maryhill.

Google can provide more information.

## FABRIC SHOPPING IN PORTLAND

Portland has many wonderful fabric stores. Using an app for navigation makes it easy for you to shop alone or as a group. You may find us meeting up with you somewhere because we like to shop too!

Request a class list before you book travel if you want to try to put together a shopping group. Shopping the day before gives you a chance to buy fabric for class projects. (Though you won't have altered your pattern(s), so it would be a good idea to purchase a little more yardage than the pattern chart indicates.) Shopping after allows you to make friends and ask who would like to shop with you.

The stores below are grouped in an efficient order to visit. Avoiding freeways is a way to counter traffic in morning or mid to late afternoon. If you are staying at the Monarch Hotel, start with the Mill End store right off highway 224 then Pendleton is about 4 blocks away.
