

**Palmer/Pletsch 5-Day
Fit & Sew a Classic Shirt Workshop
Vancouver, Washington (just north of Portland, Oregon)**

Dear Attendee,

This 5-day workshop is held at:

Sew-Op + Maker Space

1507 Broadway, Vancouver, WA 98663
(360) 227-5005
sewopmakerspace.com

Sew-Op + Maker Space is located in downtown Vancouver, Washington, just 15 minutes from Portland International Airport. It is equipped with everything you'd expect for a fantastic sewing workshop experience. There is ample pressing and cutting space and Bernina sewing machines for your classroom use. Owner Anna Miller offers an astounding collection of vintage fabrics plus modern notions and the region's yummiest chocolates for sale in her shop. Sew-Op is located close to great food and coffee venues and less than two miles from Fred Meyer for groceries and incidentals.

The workshop runs from 9am to 5pm each day. Lunch is provided. Registrants will receive a detailed schedule.

Our "ideal suggested schedule" while you are here is to arrive the day before the workshop and get settled in at the place you choose to stay. For years we have used the Monarch Hotel in Clackamas, Oregon. They offer a special Palmer/Pletsch rate. However, now that we are holding our workshops in different locations, that option may not be as convenient as finding accommodations closer to the class venue. A few suggestions:

[Homewood Suites by Hilton](#)

701 SE Columbia Shores Blvd.
Vancouver, WA 98661

[The Briar Rose Inn](#)

314 W 11th St.
Vancouver, WA 98660

Uber and Lyft are the most reasonable ways to get to all areas of Portland from the airport. Or, if you decide to stay at the Monarch next to Clackamas Town Center mall, the hotel van can pick you up at the airport. Call when you get your luggage.

[The Hilton Vancouver](#)

301 W 6th St.
Vancouver, WA 98660

[The Heathman Lodge](#)

7801 NE Greenwood Dr.
Vancouver, WA 98662

[Monarch Hotel](#)

12566 S.E. 93rd Ave
Portland, Oregon 97015.

Palmer/Pletsch workshop attendees enjoy a discount. To reserve a room call 1-800-492-8700 or email the hotel directly at rescenter@monarchnotel.cc. Mention you are with Palmer/Pletsch and request our rate which includes a daily coupon for 10% off dining at this property. More details [here](#).

Bring the Following to the Workshop:

Sew-Op, the location of our class, will have the notions you may need to replenish such as ½” Scotch Magic Tape, 1 3/8” .5 mm glass head pins, Perfect Pattern Paper, and recent Palmer/Pletsch books, and most in spiral.

- **Dress comfortably.** Layers are best. Consider a cami if modesty is of concern. Avoid anything that compresses your shape. You will be trying on your pattern tissue and pin-fitting your fabric.
- **If you wear a bra,** make it a good-fitting one and wear the same bra every day of class, especially if you are large busted.
- **Hair tie or clip** if you have long hair, so we can see the tissue on your back.
- **Chain necklace** to mark the base of the back of your neck-optional.
- **Sewing machines.** Bernina sewing machines are provided. If you prefer to bring your own, don't forget extra bobbins and needles.
- **Sewing and alteration supplies:**
 - ___ Paper scissors
 - ___ Fabric Scissors
 - ___ Seam gauge
 - ___ Tape measure
 - ___ Preferred marking tools (chalk wheel, tracing paper etc.)
 - ___ 2” X 18” flexible clear plastic ruler (recommended, but not mandatory)
 - ___ Soft-leaded pencil

 - ___ 1 box of 1 3/8" extra-fine glass-head pins (.5mm size is best—it will not bend when piercing cardboard surfaces) and a magnetic pin cushion.
 - ___ Needles (both hand and machine)
 - ___ 1 roll 1/2” Scotch Magic Tape in the green box (no substitutes) in a weighted dispenser.
 - ___ 1 package Perfect Pattern Paper
 - ___ Pattern: *Palmer/Pletsch for Butterick 6852 is included.* If time allows, other shirt pattern options are Butterick B6856, B6842, B6841, McCall's M8014, Grainline Archer Shirt, or any basic button-up shirt pattern with a collar and either a facing or a band, and is printed on tissue.
 - ___ Fabric for patterns: Woven cotton or rayon. Prewashed.
Silk or poly make a great blouse but will probably double construction time.

- **Book: *The Palmer/Pletsch Complete Guide to Fitting*** (spiral is best).

OPTIONAL OPPORTUNITIES:

HAVE YOUR COLORS DONE!

When someone says, “You look amazing today!” chances are you’re wearing a color that perfectly complements your natural beauty. Learn how to determine your best colors with image consultant and color expert Ethel.

Ethel expands the four-season color concept with her own color system, to help us understand how the colors we wear can complement our own hair, skin and eye colors. She will then teach you how to translate this knowledge into creating a wardrobe that truly flatters.

Portland-based Ethel Harms is an award-winning image consultant who has been helping people look beautiful for over 30 years. As the Image instructor for the Palmer/Pletsch International School of Sewing, she has worked with people from all over the world to define their best image. She is featured in the Palmer/Pletsch book *Looking Good...Every Day!*

Book your appointment at her Lake Oswego studio for the day before the workshop. Ethel will then bring your custom color palette to the workshop and show you how to shop for your best colors. Two workshop students can attend together.

The Color Analysis price for Palmer/Pletsch workshop students is \$275. Book your appointment directly with Ethel by calling 503-699-5501 or e-mail eharms@msn.com. For more about Ethel Harms, visit www.yourimageconsultant.com.

TOUR THE AREA

If you have time to tour our beautiful region before or after the workshop, or if you have a companion with you who came to tour, here are just a few suggestions:

- Drive the “loop” going up into the stunning Columbia River Gorge on Highway 84. At Hood River, turn up to Mt. Hood, visit the historic Timberline Lodge, and drive back to Portland on Highway 26.
- We are only 1½ hours from the coast.
- The MAX line to downtown is just across from the Monarch Hotel.
- The Spirit of Portland has a wonderful lunch and dinner river cruise that is quite reasonable and showcases why we are called the “city of bridges.”
- Maryhill Museum houses the famous Théâtre de la Mode dolls from the 1940s. Palmer/Pletsch published a book on the history of the collection. The museum is open April to November and is about a 2 hour drive east on 84. Stop at Multnomah Falls on the way! You could have breakfast at the lodge and lunch at Maryhill.

FABRIC SHOPPING IN PORTLAND

Portland has many wonderful fabric stores. Using an app for navigation makes it easy for you to shop alone or as a group. You may find us meeting up with you somewhere because we like to shop too!

Request a class list before you book travel if you want to try to put together a shopping group. Shopping the day before gives you a chance to buy fabric for class projects. (Though you won't have altered your pattern(s), so it would be a good idea to purchase a little more yardage than the pattern chart indicates.) Shopping after allows you to make friends and ask who would like to shop with you.

The stores below are grouped in an efficient order to visit. Avoiding freeways is a way to counter traffic in morning or mid to late afternoon. If you are staying at the Monarch Hotel, start with the Mill End store right off highway 224 then Pendleton is about 4 blocks away.
